

# About Me...

I have lived in the Illinois Valley my whole life. Throughout my adult life, I felt the need to help people in any way possible. I have been married to my husband Steve for 25 years and have been blessed with both a son and a daughter. I can't forget our 4-legged pups! When I am not at work you can usually find me at our campground enjoying the outdoors with family and friends or in the Northwoods of Wisconsin riding UTV's. My step-father was a Navy Veteran and my uncle was a Vietnam Veteran that unfortunately never made it home. It was because of them that I have always wanted to do something to give back to the men and women that served our country. With this opportunity at the LaSalle County VAC, I am excited to be able to help our Veterans.
