

About Me...

I have always known that I wanted to work somewhere that would allow me to help people and give back. Getting the job as a Veterans Service Officer became that and so much more. I am passionate about helping the Veterans in our community and have proud to have Veterans as my family and friends. I love what I do. I am currently the Assistant Superintendent, after working as the Outreach Coordinator for the first 2 ½ years. I am also the first civilian serving on the Board of Directors of our state association. I also serve as co-chair of the education committee and co-chair of the legislative committee for our state association. I am an IVAC ambassador and sit on many advisory boards throughout our community and beyond. I am also a wife and mother of a little boy. Life is always an adventure in our house and we love to make new memories.
