

Where Veterans & Families Meet the Resources They Need.

Dear Vendor:

On behalf of the LaSalle County Veterans Assistance Commission, we would like to thank your organization for participating as a vendor at the 2026 Veterans Expo. Again, we will be partnering with the TBM Avenger's Salute to Veterans Event. On Friday's the event has roughly 10,000 people that make their way out to the airport just to watch the planes as they come in – followed by an airshow. What a great opportunity this will be to showcase your business!

The 2026 Veterans Expo will be held on Friday, May 15th at Illinois Valley Regional Airport in Peru, IL from 10:00a-2:00p. This Expo is designed to showcase benefits and resources for veterans and their families. In addition to having brochures, organizations and agencies are encouraged to bring SWAG that promotes their organization. Your organization is strongly encouraged to bring an interactive or visually interesting display that will engage our veterans and families. However, the venue does not allow for table "confetti". **Please note that one table and two chairs will be provided for each registered vendor.**

The veterans that will be attending represent diverse backgrounds and have a variety of needs. They will want to know what is out there for them in their community currently as well as the possibilities for the future. During the event, each vendor will have the opportunity to chat with veterans and families about their resources/benefits and how they support them.

Attached, you will find a Veterans Expo application form and contract. Email, or mail your application as soon as possible to reserve your space. **The application deadline is Friday, May 1, 2026.** The cost per booth is \$30 for nonprofit organization and \$55 if the organization is for profit.

Thank you for your consideration, we look forward to your participation. If you have any questions, please call **Lissa Olson at (815) 313-9359.**

Very Respectfully,

Christa Hammers
