

About Me...

I am a proud U.S. Air Force Veteran and served six years as a Tactical Air Control Party (TACP) JTAC. After my military service, I earned a Bachelor of Science degree in Psychology, worked as an EMT, and was honored to become a Veteran Service Officer at the LaSalle VAC in 2026.

I am passionate about advocating for Veterans and their families and helping connect them with the benefits and support they have earned.

Outside of work, I enjoy hunting, fishing, camping, woodworking, riding my motorcycle, and spending time with my dogs, friends, and family.

Jordan Sigulas

VETERANS SERVICE OFFICER
(in training)
